CONSENT FOR CONSUMPTION OF ALCOHOL ADDENDUM

This Consent contains terms defined in the License Agreement between St. Joan of Arc Parish, the Archdiocese of Denver and

_____ [name of person or organization that will use the Property]

Dated the _____ day of _____, _____. (the "License Agreement"). Such terms have the same definitions for the purposes of this Consent that they have in the License Agreement.

Licensor hereby consents to the consumption of alcohol on the Property during the time period stated in the License Agreement by those individuals entering the Property pursuant to the License Agreement who are not visibly intoxicated, who are at least 21 years old, and who are not habitual drunks.

This Consent is expressly conditioned upon strict adherence by the Licensee and all members, guests, invitees and licensees of the Licensee to Licensor's Liquor Liability Rules and Regulations (attached). Failure to fulfill this condition shall nullify this Consent, and shall be deemed a material breach of the License Agreement.

Licensee understands and acknowledges that Colorado law prohibits the sale of alcoholic beverages without a license to do so. Licensee agrees that there will be no charge for any alcoholic beverages to be served, and agrees that any admission charge will be the same for all attending, without regard to whether they consume any alcoholic beverages. Further, Licensee agrees that no alcoholic beverages will be served to any visibly intoxicated person, any person who is under the age of 21, or any habitual drunk. Bartender(s) will be dispensed by a person(s) provided and known to the Parish or by a licensed and bonded caterer.

LIQUOR LIABILITY RULES AND REGULATIONS

1. Liquor should only be dispensed by a person experienced in operating a liquor bar. Those who are serving alcohol should NOT consume alcoholic beverages prior to or during the time they are serving alcohol.
2. Liquor should never be served to an individual who is under the age of 21 (proof of age is required), anyone visibly intoxicated, or any habitual drunk.
3. The individual who is dispensing drinks should only serve one drink at a time. The drink must be consumed before another drink may be served.
4. Only single drinks adhering to the following standards should be served: no more than 1 oz. of whiskey in a highball, cocktail or mixed drink; 12 oz. of beer as a maximum and no more than 4-5 oz. of wine per serving. No “doubles” should be served.
5. Food must be constantly served throughout the event that is taking place. Alcoholic beverages should NOT be distributed during an event at which a meal or buffet is not provided.
6. All individuals should be carefully observed throughout the event to ascertain they are eating and not just drinking. Some behavioral characteristics of one “under the influence” of alcohol may include: 1) slurred speech; 2) staggering; 3) stumbling; or 4) poor motor-skill coordination.
7. Every precaution should be taken to ensure that no alcoholic beverages are brought into the event. The only alcoholic beverages to be consumed are those distributed under the guidance and control of the staff members of the event.
8. A plan devised to accommodate an individual who has had too much to drink should include:
 - a. Alternative methods of transportation home after the event;
 - b. A method to stop an individual’s further consumption of alcohol.
9. At least 1 to 1 ½ hours before the event concludes, the bar should be closed and no alcohol made available to the individuals present at the event.
10. In this final 1 to 1 ½ hour time period, coffee and food should be made available and those present should be encouraged to remain and eat. Coffee and food will not help those individuals who have over imbibed, but the time will help.
11. No one should be permitted to drive a motor vehicle who displays the behavior of one who is under the influence of alcohol. In the event one cannot be prevented from driving, immediate notice should be made to the local police agency, County Sheriff or Colorado State Patrol. Indicate the name of the driver, vehicle description, and route of travel or destination if known.
12. Any violations of these regulations shall cause the organizers of the event to immediately cease the serving of any further alcoholic beverages to anyone.
13. Permission to serve alcoholic beverages should be granted only in individual cases by the Pastor. Those organizing an event at which alcohol is to be served shall indicate beforehand how these regulations are to be observed and who shall be responsible.
14. Consideration should be given to posting signs similar to the message below at any event where alcohol is served:

REMEMBER...

FOR EVERY ONE DRINK YOU CONSUME, REGARDLESS OF THE TYPE OF DRINK IT MAY BE (12 oz. of beer, 4-5 oz. of wine, or 1 – 1 ½ oz. of whiskey), IT WILL TAKE AT LEAST ONE HOUR FOR THAT DRINK TO BE ELIMINATED FROM YOUR SYSTEM.
